FAMILY : Instant boiling water taps | SERIE : Instante | FINISH : Chrome | MODEL : Instante 3-in-1

### Boiling water at its most convenient

Ultimate convenience | True 100°C boiling water | Easy Installation | Safety assured | Quick sterilizing – perfect for babies' bottles | Hygienic cleaning | Faster cooking and preparation

### Save energy

The energy use of a boiling water tank is on average 10p/day which is comparable to a light bulb. The average cost to boil a kettle is 2.5p.

No waiting time for hot water | No waste of water or energy | No energy surge caused by the use of a kettle

The Instante 3-in-1 tap provides hot, cold and 100°C boiling water. Safety is assured with a two-step safety handle, while fully insulated spout and handle ensures that they both stay cool to the touch.

### IMPORTANT

Please be aware of your water pressure before purchase. If your water pressure is too low, the installation of a pump should be investigated. If your pressure is too high, the inclusion of a pressure reducing valve (not supplied) in the system will be necessary.
